This ensures that your installation will be cleaner and safer, protecting you and your family.

SWEET DREAMS® SIDING

Sophia Series

The Sophia Series® Sweet Dreams® is Feldco's premium line of replacement siding. This siding system is designed to provide you with added comfort, durability and affordability while enhancing the beauty of your home.

Premium Vinyl Siding

Sophia Series® Sweet Dreams® siding is composed of pure, virgin vinyl combined with premium materials to help withstand the extreme weather conditions and temperatures of the Midwest. Its durability-enhanced design resists splitting, cracking and warping leaving you with the peace of mind your home is shielded by a superior product.

Full Thermal Support System

Sweet Dreams® Siding provides a complete wall system which includes insulation and improves the overall energy efficiency of your home. Tightly fitted behind the siding to improve rigidity and provide straight and even wall lines, it's a difference you can see and feel on and around your home.

Matching Accessories

Why stop at siding? Customize the look of your home with high quality Sweet Dreams® soffit, fascia, gutters, shutters, and other trim accessories. Available in matching or accenting colors to your siding so you can truly design a one-of-a-kind look for your home.

SIDING FEATURES

Fully Rolled Nail Hem

Ensures superior resistance to extreme winds.

Thickness

0.046" Extra thick panels mean straighter, smoother & more even walls.

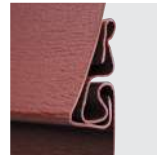

Projection

3/4" Panel projection produces ideal shadow lines to give home look of real wood siding.

Richly Detailed Cedar Grain

All the beauty of wood siding, but maintenance-free.

T3-LOK

Uniquely designed lock tightens under pressure so siding stays put even in the most challenging weather.

COMFORTWRAP 365

- **Energy Efficient:** Four times the R-Value of conventional siding underlayments. Can reduce energy costs by as much as 20%.
- **Superior Appearance:** Ensures that Sweet Dreams® siding will not only look, but feel like wood and that it will maintain its original shape through everyday mishaps and extreme weather.
- **Durable Performance:** Three times as durable as hollow-back siding, protecting against hail, wind, and the occasional toss from a little leaguer.
- **Healthy Environment:** Allows walls to breathe and does not trap harmful water vapor, preventing the growth of mold or mildew. A non-toxic additive deters termites, carpenter ants and other pests from nesting behind your siding.

Other Siding Features Include:

- **Tri-Linear Rigidity** - Panels stay straight with 200% more rigidity than standard siding.
- **Duranyl 5000 Protection System** - Adds extra UV protection to protect colors against harsh elements and maximize long-term weatherability.
- **Hang-Tough Technology** - Boosts durability so panels are more resistant to cracking, impact, and thermal distortion. Color resides throughout the panel - virtually eliminating the appearance of nicks and minor surface scratches.
- **Wind Speed Rated Up to 240 MPH** - Achieves superior wind resistance.

Available Styles

Whether you are looking to re-side your home completely or simply update its appearance, Feldco offers many styles of custom siding with the same energy efficiency and durability you can expect from our products.

SWEET DREAMS® SOFFIT

Soffit

Feldco Sweet Dreams® Soffit combines the beauty of genuine wood finish with the durability and easy-care convenience of the most advanced vinyl products available.

- **Hidden Ventilation:** Invisibly vented to help keep attics cool in the hot summer months and prevents moisture and mold development.
- **Superior Strength:** A unique lock design provides superior rigidity and strength preventing sagging or cupping (view photo below).
- **Lasting Beauty:** Enhance the beauty of your home's eaves, porch ceilings and entryways or create elegant vertical siding installations at entrances or gable ends.

Ordinary soffit lacks stiffness, so it tends to cup when installed. Extra rigid Sweet Dreams® Soffit stays flat, providing outstanding appearance and quality, year after year.

GUTTERS & SHUTTERS

Gutters

Gutters that overflow or leak at the seams are a thing of the past. Feldco gutters are the perfect improvement to your roof and rainwater drainage system.

- Made from heavy gauge aluminum
- Continuous length gutters minimize leaks and maintenance
- Many colors available to match or accent your home's décor
- Standard and oversize downspouts available

Shutters

Add charm and style to your home with accent shutters that offer the natural textured look of real wood.

- Made from maintenance-free material that will not chip, rot, or warp, and is strong enough to withstand the most severe weather conditions
- Choose from traditional open louvered or colonial raised panel shutter styles
- Available in an array of colors that will complement your home
